Thanks for the Renewal

In March we did not know for certain if we would be able to have camps this summer or what shape they would take if we were able to. As it turned out, we were able to have our full schedule of summer camps and the attendance was even better than we had expected. We thank everyone who helped make this a good year for our young people.

Now we are looking forward to Ladies Retreat (September 10-11) and Men's Retreat (September 17-18) followed by a full schedule of weekend church retreats. Tackling The Text will close out our schedule on November 4-6. A great year after all.

We are thankful to our Lord and to the Copper Basin Bible Camp supporters who have made this possible.

Upcoming Labor Day Work Weekend, Sept. 4-6

Let's all pitch in, and help clean up the camp! One of the main focuses of the work weekend will be weed eradication. There is a need for weed whipping, mowing and raking. We currently have three gas whips, a push mower, and several other electric or manual yard tools. Any extras that people bring up would be welcomed. We can utilize Frank and/or the ranger with the green trailer to pick up any refuse.

The rains have also created some gullies around camp. I have been working with the Kubota to fill them in, but a couple loads of gravel fill will be needed eventually.
