I am continually amazed and grateful to God for the way He blesses Copper Basin Bible Camp. In the past few months, we have received several generous gifts for special projects and general expenses. And, of course, we are extremely grateful for the help provided over the years by Helping Hands.

Right now, we are looking forward to our summer camps. We have been blessed with many new volunteers. If you would like to be one, please check out our web page. It will be rewarding.

Thank you all for your support. Please continue to pray for us.

Copper Basin Bible Camp

Caretakers' Corner

This past month building projects continue and we acquired a Club Cadet riding lawn mower. The new boathouse is coming along and the old boathouse conversion into a cabin should be ready for the opening first week of camp. The upper bathrooms near the cabins have been restored and are both in working order.

I can't stress enough the need for everyone to show up for the upcoming WORK WEEKEND, Memorial Day Weekend, May 27. We have a long list of projects that need to be completed by the opening of Summer Camp Season. Please keep CBBC in your prayers for a successful Camp Season.
