

Welcome Campers!

Its been a crazy few years, but it is great to have camp back for the summer of 2022! We look forward to having all the kids up there again. Its just not camp without the running, laughter, and all the smiles.

This email is not exhaustive, but we hope it answers many of your questions. If there are other questions you might have that are not answered here, please contact Chris Macy at chrismacy@outlook.com

Thank you,

What Should I bring?

- **Athletic Clothing** – **Keep it modest!** Don't bring shorts that are too short, or you'll be asked to change! No more than 4 inches above your knee. No TIGHT fitting clothes like leggings. No shirts that show the midriff. No muscle shirts. If you have holes in your clothes please make sure they are not showing skin, unless it's the arm or below the knee.
- **Sleeping Bag** – All campers will be on a mattress, so if you want to bring a blanket and sheets you can, but the sleeping bag is easier
- **Pillow** – If you don't bring a pillow I am sure we can find you a soft rock to use instead... Genesis 28:11.
- **Tennis Shoes** – Maybe bring two pair... just in case!
- **Shower Shoes** – It's just easier if you have to make the walk from your cabin to the bath house.
- **Extra socks and underwear** – I am sure you'll pack plenty of clothes, but add a couple of extra of these.
- **Towel** – Gotta dry off after your shower and you will shower!
- **PJ's** – It's a barracks style sleeping arrangement! Bring the PJ's.
- **Light jacket** – The evenings can get cool at camp.
- **Laundry Bag** – PLEASE! How many times have we inspected the boys cabins only to find dirty socks all over the place.

- **Shower Caddie & Toiletries** – As much fun as it is to watch the kids walk up the hill to their cabin in shower shoes and dropping their shampoo and other items, it would help move things along if they had a shower caddie of some kind.
- **Flashlight** – It gets dark up here at night.
- **Bugspray/Sunscreen** – Older kids can apply this on themselves. For the younger kids, we'll have the counselors hold on to these things and help them out.
- **Bible** – Bring your Sword! Maybe don't bring your favorite Bible, this is camp.
- **Notepad and writing utensils** – For Bible class and keeping a journal or diary.
- **Water bottle** – Put your name on it!
- **Lip Balm** – Not required, but it is dryer at camp than in the valley.
- **Cash** – If you want, you can deposit monies with the camp at check-in. This will be used at the Trading Post. It is not required, but the kids do love it! We recommend no more than \$15. Whatever is left over at the end of camp will go to the general fund for CBBC.
- **Positive Attitude!**

What NOT to bring

- **Electronics** – No phones, iPads, OR smart watches! Leave them home. If we find them on you, we take them. "But my Bible is on my phone!" We have paper Bibles here, you'll love them!
- **Valuables** – A ring handed down to you from family. A special necklace, etc... Don't bring it! We'll be doing a lot of hiking and running, it could get lost.
- **Food Items** – This is camp, not prison, we're going to feed you well!
- **Weapons** – pocketknives, pepper spray, and of course anything else that can be used as such... don't bring it. We'll keep you safe!

What Can You Expect at Camp?

- **Zipline** – A staple of Summer camp!
- **Archery** – If you split an arrow, we will give you a trophy!
- **Canoeing** – So far it looks like we will have the lake full of water. There will also be a NEW boat house and new Dock as well!

- **Hiking** – There are two main hikes at camp. Prescott Point and the Water Tank.

- **Lots of games** – Ummm, where do I start? There are so many! You'll have to come and see.
- **Trading Post** – You'll need cash for this event! At check-in you can deposit monies with the camp to use at the trading post. There will be some candies, lots of granola bars, fruit juices, teas, some soda, lots of crafts, bookmarks, and many other souvenirs. We will be cutting back the sugar you can purchase during the trading post time.

- **Bible Study** – This year's theme is *EMBOLDEN* from the book of Acts.
